

# WG-STAND Draft Agenda 11 July 2019

## WG-STAND-0296-19

### Biography

Chair: **Mathias Lundin**

CEO of the Swedish Welding Commission since 2007. MSc (KTH Royal Institute of Technology, Stockholm) and International Welding Engineer.

Over 25 years of experience in the field of welding and allied processes. Active in welding standardization activities since the late 1990's. Currently WG-STAND chair and convenor of ISO/TC 44/SC 11/WG 3 and CEN/TC 121/WG 20 committees on brazing.

Expert and participant in IIW since 1995. Swedish delegate to C-VI, Terminology, and vice chair C-XVIII, Quality management in welding and allied processes.

Secretary: **Andrew Davis**

Director, International Activities, American Welding Society  
BSc (University of Leeds) in Metallurgy followed by MSc (Cranfield) in Welding and Joining Technology.

After working in industry and research for over 10 years, in 1994 joined BSI in London, UK as a project manager in welding standards.

In 1999, moved to the United States to work for the American Welding Society, primarily in ISO welding standards development. In 2012 took over the role as IIW Standards Officer (part-time while still working for AWS).
